**Bridge Replacement Project to Begin on Hidden Valley Road in
Tyrone Township, Perry County**
Separate detours for cars and trucks

Harrisburg, PA – The Pennsylvania Department of Transportation (PennDOT) announced today that a bridge replacement project is scheduled to begin soon on Hidden Valley Road (Route 3010) in Tyrone Township, Perry County. The bridge spans Shermans Creek between the Village of Loysville and Blain Borough.

Weather permitting, the contractor will begin work on or about Monday, March 11. Initial work will involve tree trimming with minor traffic impacts. The bridge is expected to be closed on or about Monday, March 18.

Separate truck and car detours will be in place during the closure.

The car detour will use Iron Bridge Road (Route 3009), Route 274, Route 850 and Weavers Mill Road. The truck detour will use Manassa Road (Route 3006), Route 274, Route 850, and Weavers Mill Road.

This project consists of a bridge replacement and minor roadway reconstruction.

George S. Hann and Son, Inc., of Fort Littleton, PA, is the contractor on this \$3,153,882 project. Also included in this contract is the replacement of the bridge spanning Baken Creek on Route 74 (Waggoners Gap Road) in Spring Township, Perry County. That bridge is expected to be closed on Monday, April 1.

All work on this contract is expected to be completed by November 1, 2025.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.
